4 November 2009

Press Release

Immediate Release

Dear Colleague

Swine Vaccination Clinics

Please could you promote the following event on our behalf.

The Jenner Health Centre will shortly start offering evening Swine Flu Vaccinations to its patients. The Swine Flu Vaccination Clinics will be held on:-

- **Tuesday 17 November 2009**
- **Wednesday 18 November 2009**
- **Thursday 19 November 2009**
- **Tuesday 24 November 2009**
- **Wednesday 25 November 2009**
- **Thursday 26 November 2009**

The Clinics will start at 18:00pm and are open to patients registered with the Practice who are in a Swine Flu risk group. The Clinic operates on an appointment basis.

The Swine Flu Vaccination is recommended for all patients who are pregnant and patients who suffer from a chronic disease, especially those of a working age. This includes patients who have a respiratory disease (including Asthma), heart disease, renal problems, liver disease, Diabetes or a neurological disease such as a stroke. Any patients who are receiving treatment for a condition which suppresses their immune system or have had a splenectomy should also attend for the vaccination.

The Practice will be contacting patients to arrange a Swine Flu vaccination appointment. Alternatively, patients who fulfil the above criteria can contact the Practice on 01733 206200 to book a Swine Flu Vaccination Clinic appointment.

I hope that the above is of assistance. If you require any further information please do not hesitate to contact me.

Simon Stitson
